

FOR YOUR GLORY

ROBERT WEBER

Verse

God, You are so good,
Your kindness endures forever;
God, You are so good,
All creation exalts Your name
From the top of the world
To the depths of the sea
You reign on high in glory!
I stand in awe of Your marvelous works
All I can do is say:

Chorus

"You are my God, You are my King,
You are my joy, my ev'rything.
I sing Your praise, I shout Your Name,
You are my rock, You never change.
Take me, oh God, just as I am,
Use me right now for Your glory, oh, Lord."
